## Forum: Addressing Gender-Based Violence with Immigrant Communities in NYC

- **Learn** about an exciting new coalition in NYC called Action Research for Immigrant Social Empowerment (ARISE).
- **Hear** the NYC Alliance Against Sexual Assault present findings from a pilot participatory action research project conducted in 2006 on sexual violence with immigrant women representing 12 countries in Africa, Central and South America and the Caribbean.
- **Discuss** the issue of gender-based violence among immigrant communities with other service providers and community members.
- **Apply** activities to discuss gender-based violence and the development of gender-based violence intervention and prevention programs to other settings.
- **Receive** a free copy of the research report.

**Where: Planned Parenthood NYC, 26 Bleecker Street, 3<sup>rd</sup> Floor**

**When: Wednesday, May 14<sup>th</sup> from 10:00am-1:00pm**
